Special Message from the Patron of the Council

H.E. Badli Hisham Adam

**High Commissioner of Malaysia
to Sri Lanka and Maldives**

It gives me great pleasure to extend my warmest congratulations to the Sri Lanka–Malaysia Business Council (SLMBC) on the occasion of its 31st Anniversary.

Sri Lanka has always been one of Malaysia's important trading partners in the South Asian region, and SLMBC has been an integral part of this success since its establishment in 1994. Over the years, the Council has served as a vital platform in fostering closer collaboration and facilitating mutually beneficial partnerships between the business communities of our two countries.

As Malaysia's High Commissioner to Sri Lanka, it is my fervent hope that we will continue to work hand in hand in further enhancing bilateral trade and investment. I am confident that with the active involvement and dedication of SLMBC, both Malaysia and Sri Lanka will continue to realise the vast potential that lies ahead.

I am also heartened to note that SLMBC has consistently evolved, adapted, and grown in response to changing market conditions and the dynamics of globalisation. I am optimistic that the Council will continue to generate synergies and create win-win opportunities through meaningful collaborations and partnerships between our respective business communities. I firmly believe that SLMBC will remain steadfast in playing its role to further deepen and strengthen the long-standing relations between Malaysia and Sri Lanka.

On this auspicious milestone, I wish SLMBC continued success in all its future endeavours.

H.E. Badli Hisham Adam
High Commissioner of Malaysia to Sri Lanka

Message from the President of the Sri Lanka - Malaysia Business Council

Marshad Barry

**Deputy Head - Orphan Care and
Institutional Marketing, Amana Bank PLC**

It is with great pleasure that I pen this message on the occasion of the 31st Annual General Meeting of the Sri Lanka Malaysia Business Council (SLMBC). Founded in 1994 under the aegis of the Ceylon Chamber of Commerce, the SLMBC has been dedicated to promoting trade, investment, tourism and bilateral cooperation between Sri Lanka and Malaysia.

I am proud to state that the SLMBC has remained an active and vibrant business council since its inception, guided by dynamic leadership over the years. At this AGM, we will take the opportunity to recognise and honour all past Presidents for their invaluable contributions. I would also like to acknowledge the support of our Executive Committee, whose efforts have been instrumental in maintaining the council's momentum, organising business promotions, seminars for youth on startups, CSR projects, educational collaborations with Malaysian universities, and fostering partnerships with businesses in Malaysia.

The SLMBC continues to work closely with the High Commission of Malaysia and H.E. Badli Hisham Adam, the High Commissioner, to promote business, trade and investment opportunities. We also maintain strong engagement with key Malaysian agencies, including the Malaysian External Trade Development Corporation (MATRADE), Malaysian Investment Development Authority (MIDA), Education Malaysia Global Services (EMGS), Malaysia Digital Economy Corporation (MDEC), and Cyberview, to achieve the council's objectives.

Looking ahead, Sri Lanka aims to further strengthen cooperation with Malaysia, including plans for up to 10,000 employment opportunities for Sri Lankans and discussions on visa-free travel. Additionally, we seek to boost trade, particularly in sectors such as agriculture and investment, and enhance tourism ties, with Malaysian tourism officials actively promoting Sri Lanka as a destination for Malaysian travellers.

I extend my best wishes to the SLMBC for continued success in all its future endeavours.
